Thank you again for participating in this very special evening. Over 50,000 luminaries are being distributed throughout Bethlehem and neighboring areas. Look at the New Bethany website for a listing of the participating locations.

Updates including postponement, if necessary, will be available at www.newbethanyministries.org at 2 pm on the day of the event. The inclement weather date is Sunday, December 14. If necessary to postpone on both dates, the event will be held on Saturday, December 20. If you do not have internet access or have any questions, contact your block captain.

To assemble and display the kits:

1. Put about 1 cup of sand in the bottom of each bag.
2. Place the candle in the center of the sand at the bottom of the bag.
3. For a more stable luminary, we suggest that you fold down the top of the bag into a cuff.
4. Place the bags on the curb. They should be about 3 feet apart or evenly distributed over the front of your property. If you live in an area where there are a lot of cars parked, place the luminaries along the inside of your sidewalk or the location with the most visibility.
5. Please have the luminaries placed and lit by 5 pm.

New Bethany Ministries and the Luminaria Night Committee would like to thank Wal-Mart for their donation to Luminaria Night.

Warning:
Practice fire safety. Do not place luminaries in areas where they could spread fire if accidentally knocked over.
