

The vision statement of New Bethany Ministries is: as a faith based agency, to provide care, services and facilities to the homeless, the hungry, the mentally ill and the poor with a level of quality that exceeds that of secular agencies.

The Mission of New Bethany Ministries is to provide case managed housing for homeless families and low-income mentally disabled adults, meals or groceries to food insecure households, financial case management and representative payee services for low-income mentally disabled adults, and an array of emergency services for the poor and homeless.
