Food Pantry Donation Shopping List

*Please keep in mind that many of our clients live in single room dwellings, with only a microwave to heat things. Additionally, some of our clients live outside. For this reason, pop-top canned goods are most convenient. Donations are accepted during business hours (Monday-Friday 8:00-4:00), and special arrangements for alternative times can also be made. Please feel free to call us with any questions regarding donations or additional items.
